

A section of steel from the World Trade Center has been awarded to the Village of Ballston Spa. This section of steel will be used as the centerpiece for the creation of a permanent Memorial Park in the Village of Ballston Spa to honor and pay tribute to those individuals who perished on September 11, 2001. A fitting site has been chosen on Front Street, adjacent to the Village Office, in the heart of downtown. The Village of Ballston Spa along with the Ballston Spa Rotary hope to get your help by raising funds to assist in the creation of the permanent memorial on Front St. Contributions can be made payable to the:

911 Memorial of Ballston Spa, Inc.
and forwarded to the following address:
