Town Clerk

Town Attorney Walsh reviewed the three considerations the Board needs to address in extending the Burnt Hills-Ballston Lake Water District No. 2 Extension 18 to include Kelley Farm Subdivision, 253 Eastline Road, Tax Map Parcel 239.-2-7.1. He stated that the petition for the Water District Extension was received by the Town Board and all the property owners have asked to be in the extension. The Town Board needs to determine whether this is a benefit to all property owners to extend the water district. The Town Board needs to determine if this proposed water extension is in the public interest.

No one wished to speak. The Public Hearing was closed at 7:20 p.m.

Respectfully submitted,

Carol R. Shemo
Town Clerk
