DATED: August 27, 2014

By Order of the Town of Ballston Town Board

Carol Shemo

Town Clerk

Town Attorney Walsh reviewed the three considerations the Board needs to address with the creation of the Stonebridge Street Lighting District. He stated that the petition for the Stonebridge Street Lighting District was received by the Town Board and that more than 50% of the property owners have asked to be in the district see the attached list for the included Tax Map Parcels for Stonebridge Street Lighting District. The Town Board needs to determine whether this is a benefit to all property owners in this street lighting district. The Town Board needs to determine if this proposed street lighting district is in the public interest.

Councilwoman Stewart added that the creation of this street lighting district was part of the Planned Unit Development District that was approved by the Planning Board.

No one wished to speak. The public hearing was closed at 7:23 p.m.

Respectfully submitted,

Town Clerk
