Guests Todd Guzewski, Rick O'Neil, Walt Pajak.

~The meeting was called to order at 7:08 p.m.

~Scotia Renegades baseball coaches Todd Guzewski, Rick O'Neil and Walt Payak attended to report the ball field is perfect for their team and that their season has concluded. They will continue to mow/maintain the field the remainder of this year as the contract states. They have requested to continue to use the field next season (and perhaps more) and include an additional team (13 year-old Renegades team). They would like to install a temporary net around the backstop to stop foul balls; Tim Szczepaniak will discuss this issue with Mark Katz.

~The meeting minutes of January, February and August were unanimously approved. They will be forwarded to the Town Clerk for inclusion on the website.

~Tim Zukas, Eagle Scout candidate, has received approval for constructing 4 baseball benches for the back ball field. He will complete his project in the next couple of weeks.

~Dennis will make arrangements with Joe Whalen to trap the pond critter(s).

~Another discussion ensued deciding to get a quote from Brett Kucharski/NE Landscaping for one more day of excavating work around back ball field to help eradicate the poison ivy. Also, ask Brett to repair damaged area south side of pavilion (fill needed) and also distribute stone dust around trails' perimeter for the Eagle Scout project.

~ A follow-up discussion regarding hiring Kevin McCarty, for treating the ponds for algae and poison ivy treatments around the back ball field. It's too late this year, so we will re-address in spring 2016.

~Thank you to Bill Bechtel for his work on the JPAB 2016 Budget request proposal and submitting it to the Town Board.

~The next meeting is scheduled for October 28 at 7:00 p.m. at the Town Hall.

~The meeting was adjourned at 8:23 p.m.
