

1/20/21 Meeting of Clean Energy Committee 1 – 1:30 pm.

Participants: Maegan Frantz, Ben Baskin, Town Board Member Kelly Jasinski and two BHBL students. Guest presenters, Tim Ferguson from National Grid, Ron Semp from Plug in Stations, and Jill Henck from Capital District Regional Planning Commission.

Thirty-minute recorded session on Electric Vehicle Charging Stations. Included information on the NYSERDA Charge Ready Program, and the National Grid Make Ready Program. Brief overview of the application process, costs, areas that EV stations would be best installed and more.

Please see the recording for more detailed information.

Many thanks to our guests!
