

## Carpenter's Acres Sewer Committee Meeting Minutes for 2/21/2022

Date: Monday February 21, 2022

Time: 7:00 – 7:45pm

### Regular Monthly Meeting

#### Attendees:

- Kelly Jasinski
- Danielle Yeager
- Jason Poirier

Location: Zoom Meeting

#### Old Business:

- Easement negotiations are ongoing and nearing completion for 628/630 Cindy Lane.
- Easements for Cornerstone Condos and 1491 Route 50 LLC are still in progress.

#### New Business:

- The town board approved financing and going out to bid at the town board meeting on February 8.
- Many Contractors have picked up sewer system plans for review. Bidding opens on March 15.
- The Carpenter's Acres Sewer Committee sent out emails to the all of the residents providing the news that the SCSD approval was obtained and that the project is moving forward. Included in these communications was a discussion of beginning the effort to find contractors to supply the grinder pumps and to do the installation (including the laterals). Included in these communications was a request for residents to indicate whether they would be hooking up immediately without delay or that they not be hooking up immediately.
- Jason Poirier has begun to research and establish a plan for obtaining a subcontractor(s) to install the grinder pumps and laterals for the neighborhood. Although, it is ultimately the responsibility of each resident to hire a contractor.

Next meeting: March 28, 2022 at 7:00pm (Venue: Zoom)
