### Attendees:

Right to farm signs -2 were installed. The other two had missing posts that needed to be ordered but should be up. Closing this item out.

PDR Brochure - Emilia reached out to Eric Connolly to acquire the PDR Brochure. The Brochure is said to be available by mid-July but has not been received yet. Erica Collins will send along a copy once it is complete. Also still awaiting confirmation of the monies and the availability to be able to make engagements with landowners. Without these two this program is in a standstill.

Committee Budget Requests \$1000 for committee incidentals.

Flag Day Parade JL Knights were the grand marshals with an agricultural theme. Hop City Maple, Stem and Stone Farm, and 4H Horse Group with Nicolina Foti helped represent agriculture within the town and area.

### Educational or Farm Showcase

Continued discussion of doing some sort of Christmas festival of trees event. It was discussed possibly to do it at a couple different places to spread the event out or to do it at the 4H building if it was going to be a drive through. If this is something the committee wants to proceed with it will need to be well organized and commitment from farms to participate.
